**The Persons named in Paragraph 2 of the Term Sheet**

(herein referred to as the "Vendor")

**1.           THE PROPERTY**

1.1           The Purchaser offers to purchase from the Vendor all of the Vendor's right, title and interest in and to the real property more particularly described in Schedule "A" (the "Real Property").

**2.           PURCHASE PRICE**

2.1           The Purchaser shall pay the amount set out in Paragraph 3 of the Term Sheet (the "Purchase Price"), payable as follows:

- (a)          the amount set out in Paragraph 4 of the Term Sheet payable by certified cheque or wire transfer, in trust, to the Vendor's Solicitors set out in Paragraph 8 of the Term Sheet (the "Vendor's Solicitors") and delivered at the time of submitting this Offer, as a deposit (the "Deposit"); and
- (b)          the balance of the Purchase Price payable by certified cheque or wire transfer of immediately available funds to the Vendor's Solicitors, or by such other means of payment as the Vendor may otherwise direct, on the Closing Date, subject to the adjustments herein stipulated.

**3.           DEPOSIT**

3.1           The Deposit, as is appropriate, shall be:

- (a)          returned to the Purchaser without interest or deduction if the Vendor does not accept this Offer; or
- (b)          credited as an adjustment to the Purchaser, without interest thereon, against the Purchase Price on the Closing Date when the purchase and sale of the Real Property is completed pursuant to this Agreement and all interest accrued thereon shall be paid to the Purchaser forthwith after the Closing Date; or
- (c)          refunded to the Purchaser with interest but without deduction if the purchase and sale of the Real Property is terminated in accordance with the terms of this Agreement, provided that the Purchaser is not in default hereunder; or
- (d)          in any other event, retained by the Vendor, together with all interest accrued thereon, in addition to, and without prejudice to, any other rights and remedies that the Vendor may have hereunder, if the purchase and sale of the Real Property is otherwise not completed pursuant to this Agreement.

The Closing Date itself shall be for the account of the Purchaser.

4.2 The parties hereto agree to readjust after the Closing Date all items adjusted in accordance with the terms hereof or that should have been adjusted hereunder forthwith after the request of either party hereto if such readjustment is appropriate to fulfil the terms of this Article 4.

#### **5. ACCEPTANCE, CONDITIONS AND RESTRICTIVE COVENANT**

5.1 The Purchaser agrees that this Offer shall remain open for acceptance and shall be irrevocable by the Purchaser until 11:59 p.m. Calgary time on the 15<sup>th</sup> day after the date referred to in item [A] immediately following Section 17.14, after which time, if not accepted by the Vendor, this Offer shall be null and void and the Deposit shall be dealt with in accordance with Section 3.1. Acceptance of this Offer by the Vendor may be communicated by the Vendor by facsimile transmission to the Purchaser or to the Purchaser's solicitors (and later delivering to the Purchaser or to the Purchaser's solicitors a duly executed counterpart of this Offer), or by delivering personally or sending by mail an executed counterpart or copy of this Offer to the Purchaser or to the Purchaser's solicitors. The Vendor shall indicate the date on which it has executed this Offer in the space provided in item [B] immediately following Section 17.14 (the "Acceptance Date") and upon such acceptance being communicated to the Purchaser or its solicitors pursuant to this Section 5.1 or 15.1, this Offer shall become a binding agreement for the purchase and sale of the Real Property. The Purchaser acknowledges that the Due Diligence Period, as defined in Section 6.1, is calculated with reference to the date inscribed in Section 17.14[B], regardless of the actual date on which either the acceptance is communicated or an executed counterpart or copy of this Offer is delivered to the Purchaser or its solicitors.

5.2 The provisions set out in Schedule "F" shall apply to this Offer depending on the jurisdiction in which the Real Property is located.

5.3 The Purchaser acknowledges and agrees that the Real Property being conveyed herein is to be encumbered and burdened by a restrictive covenant. The Purchaser covenants and agrees, as an express condition of the closing of this transaction, to execute a restrictive covenant contained in the deed or transfer, or in a separate document to be registered at the same time as the deed or transfer, to the intent that the burden of such covenant shall run with and bind the Real Property and every part thereof and to the intent that the benefit of such covenant shall be annexed to and run with each and every part of the lands of the Vendor described in Schedule "C" (the "Dominant Lands"). This restrictive covenant shall provide as follows:

- (a) that for a period of forty (40) years from the Closing Date, the Real Property or any portion thereof shall not be used, nor shall the Purchaser suffer or permit any Person to use the Real Property or any portion thereof, for the purpose of the sale, marketing, storage, distribution or handling, in bulk, retail or otherwise, of oil or petroleum products or derivatives thereof, including without limitation retail or bulk quantities of gasolines and other motor fuels, diesels, lubricants, motor oils, greases and solvents;
- (b) that for a period of forty (40) years from the Closing Date, the Real Property or any portion thereof shall not be used, nor shall the Purchaser, its successors and assigns, suffer or permit any Person or any entity to use the Real Property or any portion thereof, separately or in conjunction with other lands, for uses other than

commercial or industrial as those uses are defined under applicable Environmental Laws; or for the construction or installation of basements or other similar structures below grade; or for water wells where water is intended for human consumption;

- (c) that the Purchaser agrees to obtain from any subsequent transferee, assignee, lessee, licensee, occupier or successor in title of the Real Property or any portion thereof a covenant to observe and perform the covenants contained in this Section 5.3, including this sub-section 5.3(c); and
- (d) that these covenants shall be registered against the Real Property in a form satisfactory to the Vendor's Solicitors and shall be entered into by the Purchaser for itself and its successors and assigns and shall be for the benefit of the Vendor (and if the Vendor is a partnership, each member of such partnership) their respective subsidiaries and affiliates and their respective successors and assigns, their successors in title and occupiers of the Dominant Lands from time to time.

## **6. REAL PROPERTY DUE DILIGENCE**

6.1 The Purchaser shall be allowed a period of forty-five (45) days from the Acceptance Date as defined in Section 5.1 (the "Due Diligence Period") to examine at the Purchaser's own expense the title to the Real Property, and to satisfy itself that:

- (a) the title to the Real Property is good and free from all registered restrictions, mortgages, charges, liens, and encumbrances except as otherwise specifically provided in this Agreement and save and except for: (i) any registered restrictions or covenants that run with the Real Property, provided that such have been complied with; (ii) any registered municipal agreements and agreements with publicly regulated utilities, provided that such have been complied with; (iii) any easements and rights-of-way; (iv) any qualifications, reservations, provisos and limitations contained in or imposed by any applicable statute and/or any authority having jurisdiction over the Real Property in the province in which the Real Property is situated; (v) any discrepancies in title or possession which would be disclosed by an up-to-date survey; (vi) any Permitted Encumbrances listed in Schedule "D", provided that such have been complied with; and
- (b) there are no outstanding orders, deficiency notices or directives issued by any federal, provincial or municipal authority affecting the Real Property.

6.2 If, within the Due Diligence Period, the Purchaser notifies the Vendor or the Vendor's Solicitors of any valid objection to title or to any outstanding order, deficiency notice or directive or to the fact that the present use of the Real Property may not be lawfully continued and which the Vendor is unable or, in its discretion, determines not to remove, remedy or satisfy and which the Purchaser will not waive, this Agreement shall, notwithstanding any intermediate acts or negotiations in respect of any such matter, be at an end and the Deposit shall be dealt with in accordance with the provisions of Section 3.1 and the Vendor shall not be liable for any costs or damages or other claims. Save as to any valid objection so made within the Due Diligence Period, and except for any objection going to the root of the title, the Purchaser shall be conclusively deemed to have accepted the Vendor's title to the Real Property at the expiry of the Due Diligence Period.

6.3 Subject to Sections 6.1 and 6.2, the Vendor covenants and agrees to discharge any registered liens, mortgages or charges affecting the Real Property at its own expense prior to the Closing Date or to provide an undertaking to do so forthwith following the Closing Date.

6.4 The Purchaser shall not call for the production of any title deed, abstract, survey or other evidence of title to the Real Property except as are in the control or possession of the Vendor. The Vendor agrees that the Vendor will deliver any sketch or survey of the Real Property in the Vendor's control or possession to the Purchaser as soon as practicable and prior to the last day allowed for examining title to the Real Property. The Purchaser shall be solely liable

for the cost of any up-to-date survey, surveyor's description or reference plan of the Real Property which may be required in connection with the completion of the transaction contemplated by this Agreement.

6.5 The Vendor, upon the request of the Purchaser, shall forthwith deliver letters in form satisfactory to the Vendor addressed to such governmental authorities as may be reasonably requested by the Purchaser or its solicitors authorizing the release of any information as to compliance matters which such governmental authorities may have pertaining to the Real Property; provided, however, that nothing herein contained shall be deemed to authorize or permit the Purchaser to request any governmental or municipal inspections of the Real Property. If this Agreement is not completed the Purchaser shall keep any such information strictly confidential and shall not use it for any purpose whatsoever.

6.6 There is no condition, representation or warranty of any kind, express or implied, that the condition of the Real Property shall be appropriate for any particular use, or that the present use by the Vendor or the future intended use by the Purchaser is or will be lawful or permitted, or that any sketch or survey delivered by the Vendor to the Purchaser is complete or accurate; without limiting the generality of the foregoing, this Agreement shall not be affected by any change in the zoning or use of the Real Property prior to completion. The Vendor shall not apply for any change in zoning after the Acceptance Date and prior to completion or termination of this transaction, without the Purchaser's prior written approval or consent.

## 7. ENVIRONMENTAL DUE DILIGENCE

7.1 Within fifteen (15) days next following the Acceptance Date, the Vendor shall provide the Purchaser with a copy of the most recent environmental consultant's report, if any, prepared for the Vendor concerning the environmental condition of the Real Property (the "Vendor's Report") which shall be provided without any representation or warranty whatsoever as to its contents. During the Due Diligence Period, the Purchaser shall consider any such report and may, at its own expense and risk and in accordance with the provisions of Section 7.2 and Schedule "E", conduct its own environmental assessment of the Real Property, provided, however, that nothing herein contained shall be deemed to authorize or permit the Purchaser to request any governmental or municipal inspections of the Real Property. The provisions of Section 7.2 shall apply whether or not the Purchaser conducts its own environmental assessment of the Real Property. The Purchaser covenants and agrees, on its behalf and on behalf of the Purchaser Related Parties, and its and their agents, to keep strictly confidential the provisions of the Vendor's Report and any information provided to the Purchaser by any governmental authority as provided in Section 6.5. The Purchaser further covenants and agrees that it will not, directly or indirectly, at any time reveal, divulge or make known to the media or any person, firm or any other organization or entity associated with the media any information whether written or oral concerning the Real Property or any Environmental Matters, except with the prior written consent of the Vendor or as required by law.

7.2 In the event that the Purchaser wishes to conduct an environmental assessment of the Real Property (the "Assessment"), then the following provisions of this Section 7.2 and Schedule "E" shall apply:

- (a) the Purchaser shall direct the environmental consultant selected to conduct the Assessment to provide, within the time limited by the Due Diligence Period, a written determination (the "Determination") as to the nature and extent of the Contaminants, including location and depth, which should be considered for further remediation, if required, of the Real Property such that the Purchaser could proceed with its intended use of the Real Property after the Closing Date (as described in Paragraph 5 of the Term Sheet). The Purchaser shall direct its environmental consultant to prepare a written report regarding the results of the Assessment and the Determination, such report to be addressed to both the Purchaser and the Vendor (the "Purchaser's Report");
- (b) if, on or before the expiration of the Due Diligence Period, the Purchaser is not satisfied with the results of the Assessment as described in the Purchaser's Report, then the Purchaser shall notify the Vendor of its intention to terminate this

Agreement. Failing such notice from the Purchaser within such period, the Purchaser shall have no further right of termination under the provisions of this Article 7. If, within fifteen (15) Business Days from receipt of such notice, the Vendor notifies the Purchaser that the Vendor will carry out a program of remedial measures (the "Work") intended to achieve the Determination as described in the Purchaser's Report, then: (i) the Vendor and the Purchaser shall complete this Agreement in accordance with its terms; (ii) the Vendor agrees to use its reasonable commercial efforts to complete, directly or indirectly through duly qualified contractors and/or consultants, the Work as soon as practicable thereafter, recognizing (and the Purchaser hereby expressly so acknowledges) that the Vendor may in its notice aforesaid, elect to extend the Closing Date for up to an additional ninety (90) days to complete the Work. In the event that such extension expires before the completion of the Work, then this Agreement shall terminate and the Deposit shall be dealt with in accordance with Section 3.1 of this Agreement, and the parties shall have no claim or recourse against the other, including without limitation for damages or specific performance, save and except for any claim that the Vendor may have against the Purchaser pursuant to Section 6.5, Section 7.2 and/or Schedule E hereof. Subject to Section 7.2(d), all costs and expenses relating to the carrying out of the Work shall be borne by the Vendor;

- (c) if under Section 7.2(b) the Vendor fails to provide such notice to the Purchaser within such fifteen (15) Business Days, then this Agreement shall terminate and the Deposit shall be dealt with in accordance with Section 3.1 of this Agreement and the parties shall have no claim or recourse against the other, including without limitation for damages or specific performance, save and except for any claim that the Vendor may have against the Purchaser pursuant to Section 6.5, Section 7.2 and/or Schedule E hereof;
- (d) if, in the course of completing the Work, the Vendor either: (i) becomes aware of any Environmental Matters not previously disclosed in the Purchaser's Report or Vendor's Report or, if disclosed, the nature and extent thereof is significantly greater than previously expected; or (ii) determines, in its sole discretion, that the actual cost of the Work significantly exceeds the cost as originally estimated, then the Vendor may terminate this Agreement upon Notice delivered to the Purchaser in accordance with Article 15 hereof, in which event this Agreement shall be terminated and the Deposit shall be dealt with in accordance with Section 3.1 of this Agreement, and the parties shall have no further claim or recourse against the other, including without limitation for damages or specific performance, save and except for any claim that the Vendor may have against the Purchaser pursuant to Section 6.5, Section 7.2 and/or Schedule E hereof;
- (e) upon any termination of this Agreement without completion: (i) the Purchaser shall forthwith return all copies of the Vendor's Report, if any, provided to the Purchaser by the Vendor, together with all copies or extracts therefrom made or permitted by the Purchaser, and; (ii) the Purchaser shall keep strictly confidential the provisions of the Vendor's Report, the Purchaser's Report and any other information provided to the Purchaser by any governmental authority as provided in Section 6.5 and shall not use the information contained therein for any purpose whatsoever. The Vendor shall be free of any restrictions on its further use or disclosure of the Purchaser's Report or related materials; and
- (f) any consent of the Vendor given under Schedule "E" or the receipt and/or review of a copy of the Purchaser's Report by the Vendor shall not constitute the assumption of any responsibility by the Vendor for the selection of the environmental consultant or the content, conclusions, sufficiency or adequacy of the Assessment, the Determination or the Purchaser's Report, and the Purchaser shall remain solely responsible for such matters.

7.3 The Purchaser acknowledges that it is being provided with an opportunity to conduct an environmental assessment and investigation of the Real Property. The Purchaser hereby expressly acknowledges that none of the Vendor, its contractors or consultants or any

Vendor Indemnified Party shall be considered as having made any covenant, representation or warranty whatsoever as to the adequacy, appropriateness, accuracy, completeness or other advisability of the actions proposed to be taken in connection with the Work or that after completion of the Work that the Determination has been achieved or that the condition of the Real Property shall be appropriate for any particular use.

7.4 The Purchaser for itself, its subsidiaries and affiliates and its and their successors and assigns (the Purchaser and such entities being collectively called the "Purchaser Related Parties"), covenants and agrees to release the Vendor Indemnified Parties, with effect as and from the Closing Date, from each and every Claim whatsoever that the Purchaser Related Parties or any of them may now have or may have hereafter, or howsoever suffer, sustain or incur in regard to, arising out of, or in any way connected with Environmental Matters. **Notwithstanding the foregoing, the Vendor agrees that the Purchaser shall not be responsible for any Claim made by a third party, other than a Purchaser Related Party, arising solely from any Contaminant located outside the boundaries of the Real Property, to the extent caused by the activities of the Vendor or those for whom the Vendor is responsible at law, and existing outside the boundaries of the Real Property as at the Closing Date.** The Purchaser for itself and on behalf of the other Purchaser Related Parties further covenants and agrees that, in respect of the Real Property, the Purchaser Related Parties or any of them will not directly or indirectly attempt to compel the Vendor Indemnified Parties to study, investigate, remediate, control, clean up, remove or manage or to pay for the study, investigation, remediation, control, clean up, removal or management of any sludge or any underground petroleum or other substances, material, or waste or any Contaminant, or any constituent element thereof, or seek damages or other remedies therefor.

7.5 Notwithstanding, and in addition to, the provisions of this Article 7 and Schedule "E", if: (a) environmental assessment work is carried out by either the Vendor or the Purchaser (whether or not pursuant to any other provisions of this Agreement) and if the Vendor, in its sole discretion, is not satisfied with the results of such environmental assessment work; or (b) the Vendor is not satisfied with the results disclosed in any environmental assessment or investigation conducted by or on behalf of the Purchaser or with the results disclosed in the Purchaser's Report; or (c) the Vendor becomes aware of any significant environmental conditions related to the Real Property, then notwithstanding any prior negotiations, agreements, representations, warranties or acts relating to such environmental conditions (including but not limited to any commencement of Work by the Vendor under Schedule "E" hereto), the Vendor shall have the right to terminate this Agreement at any time prior to the Closing Date by Notice delivered to the Purchaser in accordance with Article 15 hereof. In such event, this Agreement shall be terminated and the Deposit shall be dealt with in accordance with Section 3.1 of this Agreement and the parties shall have no further claim or recourse against each other, including without limitation for damages or specific performance, save and except for any claims that the Vendor may have against the Purchaser pursuant to Section 6.5, Section 7.2 and/or Schedule E hereof.

7.6 The Purchaser Related Parties or any of them shall not have or assert and hereby expressly waive any Claim based upon or arising out of or in connection with: (a) any act, representation, statement, neglect or omission by or on behalf of the Vendor Indemnified Parties or any of them; (b) any receipt or review of, or any comment or discussion arising from any report, including without limitation, the Vendor's Report or the Purchaser's Report or other information or other material made available to the Purchaser Related Parties, or any of them, by or on behalf of the Vendor or its environmental consultants concerning any Environmental Matters; or, (c) any other state, nature, quality or condition in, on, under or near the Real Property.

7.7 It is understood and agreed that this Article 7 and the covenants of the Purchaser for itself and on behalf of the other Purchaser Related Parties contained herein shall not expire with or be terminated, merged or extinguished by the closing of the transaction of purchase and sale contemplated by this Agreement, and the release herein shall be conclusively deemed to have been made on the Closing Date with the same force and effect as though such release had been made at that time, and the provisions of this Section 7.7 shall survive the closing of this transaction.

## **8. COMPLIANCE WITH APPLICABLE SUBDIVISION CONTROL LEGISLATION**

8.1 Where this Agreement requires that the whole or part of the Real Property is to be subdivided prior to the Closing Date, this Agreement is subject to the express condition that it shall be effective to create an interest in the Real Property only if the applicable subdivision control legislation of the province in which the Real Property is situated is complied with and shall be conditional upon such compliance and upon any consent or approval required under such legislation being obtained by the Vendor on or before the Closing Date, subject to conditions acceptable to the Vendor in its sole discretion. The Vendor shall forthwith apply at the Vendor's expense for any required consent or approval under such legislation to the conveyance of the Real Property to the Purchaser, or any required cadastral operation (such as subdivision replacement or redivision), and shall diligently pursue such application in order to obtain such consent or approval (with all appeal periods having expired so that such consent is final and binding) on or before the Closing Date.

8.2 If the consent or approval referred to in Section 8.1 has not been obtained by the Closing Date, then the Vendor shall have the option to extend the Closing Date upon Notice to the Purchaser for an additional period not exceeding sixty (60) days to obtain such consent or approval. If the consent or approval is not obtained on or before such extended Closing Date, then this Agreement shall automatically terminate and the Deposit shall be dealt with in accordance with Section 3.1(c) hereof and the parties shall have no further claim or recourse against each other, including without limitation, for damages or specific performance, save and except for any claims that the Vendor may have against the Purchaser pursuant to Section 6.5, Section 7.2(e) and/or paragraph E.1 of Schedule "E".

## **9. ACKNOWLEDGEMENTS**

9.1 The Purchaser acknowledges that: (i) the Real Property has been used for (among other things) the storage, sale and transfer of petroleum products, other hydrocarbons, or their derivatives and additives and that discharges of such products, other hydrocarbons, derivatives and additives into the soil and/or groundwater may have occurred from time to time in the past; (ii) the Real Property is being sold "as is" and the Purchaser agrees to purchase the Real Property "as is"; (iii) the sole obligation of the Vendor under Article 7 and any other provision of this Agreement shall be limited to providing the Purchaser with a copy of the most recent Vendor's Report, if any, (provided that any such report provided by the Vendor pursuant to this subsection (iii) shall not be relied upon by the Purchaser and or its successors and assigns for any purpose whatsoever; (iv) the Vendor has not made, does not make, and shall not be required to provide any warranty or representation with respect either to the condition of the Real Property (environmental or otherwise) or that the Real Property is fit for any particular use (including but not limited to the use described in Paragraph 5 of the Term Sheet), or the Vendor's Report or other information provided to the Purchaser, or as to the thoroughness or accuracy of the site investigations and other analyses conducted in or for the environmental assessments; and (v) the Vendor shall have no liability or obligation with respect to any Environmental Matters or, without being limited by the foregoing, any other state, nature, quality or condition in, on, under or near the Real Property, environmental or otherwise, whether or not it is within the knowledge or imputed knowledge of the Vendor, its directors, officers, employees, agents, representatives or contractors, any and all of which shall on the Closing Date be accepted and assumed by the Purchaser. **Notwithstanding the foregoing, the Vendor agrees that the Purchaser shall not be responsible for any Claim made by a third party, other than a Purchaser Related Party, arising solely from any Contaminant located outside the boundaries of the Real Property, to the extent caused by the activities of the Vendor or those for whom the Vendor is responsible at law, and existing outside the boundaries of the Real Property as at the Closing Date.**

9.2 The Purchaser acknowledges and confirms that it is purchasing the Real Property as beneficial owner.

9.3 The Purchaser covenants and agrees:

- (a) to be liable for any Claim; and in addition;

- (b) to indemnify and hold each of the Vendor Indemnified Parties completely harmless in respect of any Claim;

whenever and however caused or incurred, and which is directly or indirectly incurred, sustained or suffered by or asserted against any Vendor Indemnified Party relating to, arising out of, resulting from or in any way connected with any Environmental Matters, including, without limitation, the following: any latent defects howsoever caused whether through or attributable to the negligence, wilful misconduct or other actions of the Vendor Indemnified Parties, or any of them and/or any other Person or otherwise; the failure of the Vendor Indemnified Parties, or any of them and/or any other Person to comply with any laws, rules, regulations, ordinances, standards, by-laws, orders (including without limitation Remedial Orders), certificates, permits, approvals, guidelines, policies, consents or directions connected therewith whether existing prior to or arising after the Closing Date; the costs and expense to study, investigate, clean-up, remediate, control, remove, manage or undertake other action relating to the Real Property or any other properties affected by Contaminants, substances or wastes emanating, migrating or originating from or onto the Real Property required by common law and/or as a result of a Remedial Order; compliance with any issued or threatened Remedial Orders. **Notwithstanding the foregoing, the Vendor agrees that the Purchaser shall not be responsible for any Claim made by a third party, other than a Purchaser Related Party, arising solely from any Contaminant located outside the boundaries of the Real Property, to the extent caused by the activities of the Vendor or those for whom the Vendor is responsible at law, and existing outside the boundaries of the Real Property as at the Closing Date.** It is understood and agreed that this clause and the covenants of the Purchaser contained herein shall not expire with or be terminated, merged or extinguished by the closing of the transaction of purchase and sale contemplated by this Agreement, and the indemnity herein shall be conclusively deemed to have been made at the Closing Date with the same force and effect as though such indemnity had been made at that time, and the provisions of this clause shall survive the closing of this transaction.

9.4 In the determination of the Purchase Price, the Vendor and Purchaser confirm and agree that past, present and future Environmental Matters have been taken into account in establishing the value of the Real Property and same cannot be separated from the ownership rights in the Real Property and moreover, that such obligations are not capable of quantification as of the date of this Agreement. The Vendor and Purchaser have not attributed a specific or agreed to value with regard to either: (i) such Environmental Matters; or (ii) the indemnities provided for herein, nor shall there be any adjustments made to the consideration pursuant to Article 2 or Article 4. For greater certainty, neither the existence nor amount of any accounting reserve for asset reclamation obligations or similar matters in the financial statements or accounting records of the Vendor or Purchaser, nor any letter of credit or other guarantees put in place by the Purchaser to guarantee in whole or in part the performance of its assumed liabilities have been of any relevance to either the Vendor or Purchaser in determining the value of the Real Property.

## 10. CLOSING

10.1 Subject to any other provisions contained herein, this Agreement shall be completed on the date specified in Paragraph 7 of the Term Sheet, or at such earlier or later date as the parties may mutually agree in writing (the "Closing Date").

10.2 This Agreement shall be completed at 4:59 p.m. (local time) on the Closing Date in the office of the Vendor's Solicitors, or other agent designated by the Vendor, or at such other place or time as the parties may mutually agree in writing. Any tender of documents or money hereunder may be made upon the Vendor or the Purchaser or their respective solicitors on the Closing Date.

10.3 Any documents to be registered in favour of the Vendor, including restrictive covenants, shall be registered in priority to any mortgage or hypothec or other charges being granted by the Purchaser.

## 11. VENDOR'S CLOSING DELIVERIES

If the Real Property is situated in the Province of British Columbia, the following provisions shall apply to the purchase and sale of the Real Property:

- (a) the Purchaser shall cause the Purchaser's solicitors to lodge a freehold transfer for registration in the appropriate Land Title Office on the Closing Date following the delivery by the Purchaser to the Purchaser's solicitors, by way of a certified cheque or bank draft, of the balance of the Purchase Price payable by the Purchaser to the Vendor on the Closing Date. The Purchaser shall cause the Purchaser's solicitors to pay the Purchase Price, as adjusted pursuant to Section 4.1 of this Agreement, to the Vendor on the Closing Date following receipt by the Purchaser's solicitors of a post application title search of the Real Property confirming that in the normal course of land title office procedure, title to the Real Property will issue in the name of the Purchaser free and clear of all encumbrances other than those described in Section 6.1(a) of this Agreement, any encumbrances created by the Purchaser and any financial encumbrances of the Vendor which are to be dealt with in accordance with subsection (iv) below. Notwithstanding the foregoing, if the Purchaser is relying upon a new mortgage to finance the Purchase Price, the Purchaser, while still required to pay the Purchase Price on the Closing Date, may wait to pay the Purchase Price to the Vendor until after the freehold transfer and new mortgage documents have been lodged for registration in the appropriate Land Title Office, but only if, before such lodging the Purchaser has:

  - (iv) if the Vendor has existing financial charges to be cleared from title, the Vendor, while still required to clear such charges, may wait to pay and discharge such charges until immediately after receipt of the Purchase Price, but in this event, the Purchaser may pay the Purchase Price to the Vendor's Solicitors in trust, on undertakings to pay and discharge such charges, and remit the balance, if any, to the Vendor; and
- (b) without limiting the generality of Article 7 of this Agreement, the Purchaser acknowledges that it is responsible for and shall assume any and all liability whatsoever which may arise pursuant to the provisions of the *Environmental Management Act*, S.B.C. 2003, c. 53, as amended, or the regulations promulgated thereunder, as amended (collectively "EMA") relating to or in respect of the Real Property, including any liabilities identified at any time in the past or in the future.
